

Statement Geoff Roberts MBE

Member of the U3A for many years being variously active in Photography, Science, Local and Church History and Walking Groups. I have served for three years on U3A Management Committee, dealing with financial matters as a member of the Finance Sub-Committee.

Perhaps the more vital tasks of being responsible for proper financial control have been served as an elected councillor for over 35 years, both on Aughton Village Parish Council and, the then as was, West Lancs District Council, - being Leader of the latter for six years.

I am also familiar with the role of Trustee, through now being Trustee of Aughton Women's Institute and Aughton Village Hall. Previously, I have held posts as Member of Ormskirk School Foundation and until recently a similar post at Ormskirk School.
