

## Statement – Pamela Ball

I have been a member of the U3A for four years and have been acting as Speaker Secretary since the beginning of 2019. I have met a great many people through working in this capacity, and that is what I enjoy most about it. My professional background is in teaching and IT; I have also done voluntary work and fundraising for various organisations including Southport Kidney Fund, St. Peter's Church and Birkdale Primary School. I consider my strengths to be good interpersonal skills, organisational ability and a strong sense of humour.
